- Emmert, S. D. **The Consumer's Practical Guide to Funerals, Burials & Cremation** (Five star special ed.). Baltimore, Md: American Literary Press, 2005
- Lee, Elizabeth. **In Your Own Time: a Guide for Patients and Their Caretakers Facing a Lasting Illness at Home**. New York: Oxford University Press, 2002.
- Sankar, Andrea. **Dying at Home: a Family Guide for Caregiving**. 2nd ed. Baltimore: Johns Hopkins University Press, 1999.

Web Resources

- **Caring Connections** <http://www.caringinfo.org/>
This site provides a variety of free resources on topics such as: advance care planning, caregiving, pain, financial issues, hospice and palliative care and grief and loss. Printable versions of state-specific advanced directives documents and instructions are available free on the site.
- **Hospice Foundation of America** <http://www.hospicefoundation.org/>
This site offers extensive information for people and caregivers facing death including signs of approaching death, pain and patient comfort and paperwork and logistics after a death in the family. Users may also locate local hospice providers and support organizations on the site.

- **Cancer.net. End-of-Life Care** <http://www.cancer.net>

→ On the left sidebar select “Coping” and click on “End-of-Life Care”

This section provides detailed information on: Palliative Care, preparing for the end-of-life, advanced directives, understanding CPR and DNR, and care during the final days, and caring for the terminally ill child.

- **Hospice Net** <http://www.hospicenet.org/>

This site provides information about hospice care and other end-of-life issues including locating local services, communication at the end of life, pain control, and caregiving for the dying person. The site also includes information on grief and bereavement.

- **Michigan Hospice & Palliative Care Organization (MHPCO)**
<http://www.mihospice.org/>

This site offers extensive information relevant to people with a life limiting illness and their families. An interactive map helps users to locate hospice providers in their area. Each listing includes the name, address, phone number and a description of the services provided by each hospice program.

This document is not intended to take the place of the care and attention of your personal physician or other professional medical services. Our aim is to promote active participation in your care and treatment by providing information and education. Questions about individual health concerns or specific treatment options should be discussed with your physician.
