<http://cancer.med.umich.edu/files/fertility-preservation-for-men.pdf>

Books

- Beck, Lindsay and Oktay, Kutluk H. **100 Questions & Answers about Cancer and Fertility**. Sudbury, MA: Jones and Bartlett Publishers, 2007.
- Rosenthal K. **Everything Changes: The Insider's Guide to Cancer in Your 20s and 30s**. Hoboken, NJ: John Wiley & Sons, 2009.
- Shaw, Gina M. **Having Children after Cancer: How to Make Informed Choices Before and After Treatment and Build the Family of Your Dreams**. New York, NY: Crown Publishing, 2011.

Web Resources

- **American Cancer Society: Fertility & Sexual Side Effects**
<http://cancer.org/treatment/treatmentsandsideeffects/physicalsideeffects/index>
This site has information on how cancer treatment can affect fertility for both women and men, ways to preserve fertility before treatment, and fertility options available after treatment.
- **American Society for Reproductive Medicine**
<http://asrm.org>
The site of this medical society has a section for patients with frequently asked questions, fact sheets, and booklets addressing many fertility issues.
- **American Society of Clinical Oncology (ASCO) section on reproductive health**
<http://cancer.net/coping-and-emotions/sexual-and-reproductive-health>
Includes information on fertility concerns and preservation for both women and men.
- **Fertility Preservation (PR) at the University of Michigan Rogel Cancer Center**
<http://mcancer.org/fertility-preservation>
Information on fertility issues facing cancer survivors and the sperm bank program at the University of Michigan.
- **Livestrong Fertility**
<https://livestrong.org/we-can-help/livestrong-fertility>
Provides reproductive information, support, and hope to cancer patients, both male and female, and survivors facing the risk of infertility.
- **MyOncofertility.org**
<http://myoncofertility.org>
MyOncofertility.org is a patient education resource from The Oncofertility Consortium, a national, interdisciplinary initiative exploring the reproductive future of cancer survivors.

- **National Cancer Institute section on Fertility Issues**
<https://cancer.gov/about-cancer/treatment/research/fertility-preservation>
- **Save my Fertility**
<http://savemyfertility.org>
Save My Fertility is a fertility preservation toolkit (and iPhone app) for patients and providers who seek support about cancer and its impact on their reproductive health.

University of Michigan Resources

- **The Fertility Preservation Program (FP)** at the University of Michigan Rogel Cancer Center
<http://mcancer.org/fertility-preservation>
Phone: (734) 763-5384

Patient Support Organizations

- **CANCER-FERTILITY** is an **email discussion group focusing on fertility issues associated with cancer**, hosted by the Association of Cancer Online Resources ACOR (<http://acor.org>). To subscribe, go to:
<http://listserv.acor.org/archives/cancer-fertility.html>
