

The purpose of this guide is to help you find information and support on fertility and cancer. This guide provides links and references to reliable and current information sources for patients, families, and caregivers.

Many of these materials are available to purchase through online resources, or to borrow at your public library.

## Brochures and Fact Sheets

- American Cancer Society
  - **Fertility and Men With Cancer**  
<http://goo.gl/KXdypB>
  - **Fertility and Women With Cancer**  
<http://goo.gl/N7sB39>

Access at:

<http://cancer.med.umich.edu/files/fertility-preservation-for-men.pdf>

### Books

- Beck, Lindsay and Oktay, Kutluk H. **100 Questions & Answers about Cancer and Fertility**. Sudbury, MA: Jones and Bartlett Publishers, 2007.
- Rosenthal K. **Everything Changes: The Insider's Guide to Cancer in Your 20s and 30s**. Hoboken, NJ: John Wiley & Sons, 2009.
- Shaw, Gina M. **Having Children after Cancer: How to Make Informed Choices Before and After Treatment and Build the Family of Your Dreams**. New York, NY: Crown Publishing, 2011.

### Web Resources

- **American Cancer Society: Fertility & Sexual Side Effects**  
<http://cancer.org/treatment/treatmentsandsideeffects/physicalsideeffects/index>  
This site has information on how cancer treatment can affect fertility for both women and men, ways to preserve fertility before treatment, and fertility options available after treatment.
- **American Society for Reproductive Medicine**  
<http://asrm.org>  
The site of this medical society has a section for patients with frequently asked questions, fact sheets, and booklets addressing many fertility issues.
- **American Society of Clinical Oncology (ASCO) section on reproductive health**  
<http://cancer.net/coping-and-emotions/sexual-and-reproductive-health>  
Includes information on fertility concerns and preservation for both women and men.
- **Fertility Preservation (PR) at the University of Michigan Rogel Cancer Center**  
<http://mcancer.org/fertility-preservation>  
Information on fertility issues facing cancer survivors and the sperm bank program at the University of Michigan.
- **Livestrong Fertility**  
<https://livestrong.org/we-can-help/livestrong-fertility>  
Provides reproductive information, support, and hope to cancer patients, both male and female, and survivors facing the risk of infertility.
- **MyOncofertility.org**  
<http://myoncofertility.org>  
MyOncofertility.org is a patient education resource from The Oncofertility Consortium, a national, interdisciplinary initiative exploring the reproductive future of cancer survivors.

- **National Cancer Institute section on Fertility Issues**  
<https://cancer.gov/about-cancer/treatment/research/fertility-preservation>
- **Save my Fertility**  
<http://savemyfertility.org>  
Save My Fertility is a fertility preservation toolkit (and iPhone app) for patients and providers who seek support about cancer and its impact on their reproductive health.

### University of Michigan Resources

- **The Fertility Preservation Program (FP)** at the University of Michigan Rogel Cancer Center  
<http://mcancer.org/fertility-preservation>  
Phone: (734) 763-5384

### Patient Support Organizations

- **CANCER-FERTILITY** is an **email discussion group focusing on fertility issues associated with cancer**, hosted by the Association of Cancer Online Resources ACOR (<http://acor.org>). To subscribe, go to:  
<http://listserv.acor.org/archives/cancer-fertility.html>
