Web Resources

- **Beyond the Cure**  
  Provided by the National Children's Cancer Society, this site offers extensive information pertaining to all areas of a survivor's life. Detailed articles offer practical information on medical, educational and financial long-term effects.

- **Lance Armstrong Foundation: LiveStrong**  
  Under “Get Help,” the “Cancer Support Topics” section of this site contains information on many topics of interest to cancer survivors including physical, emotional and practical issues. Each topic has detailed information, suggestions of what to do and a list of resources.

- **Long Term Follow Up Program** at the University of Michigan Comprehensive Cancer Center  
  → Click on: Cancer & Treatments  
  → Under “Cancer Related/Pre-Cancerous,” Click on “Long Term Follow Up”

- **Long-Term Follow-Up Guidelines for Survivors of Childhood, Adolescent, and Young Adult Cancer**  
  Developed by the Children's Oncology Group, these guidelines provide recommendations for screening and management of late effects that may potentially arise as a result of therapeutic exposures used during treatment for pediatric malignancies.
