Stomach Cancer

The purpose of this guide is to help patients and families find sources of information and support. This list is meant to provide links to authoritative, up-to-date information sources for patients, families, and caregivers.

The materials in this guide can be found at the Patient Education Resource Center (PERC) in the University of Michigan Comprehensive Cancer Center B2 lobby. Visit us online at: http://www.mcancer.org/support/learning-about-cancer/education-resource-center

Brochures, Fact Sheets

Books

• No Stomach for Cancer
  http://www.nostomachforcancer.org/
  Their mission is to support research and unite the caring power of people worldwide affected by stomach cancer.

This document contains information and/or instructional materials developed by the University of Michigan Health System (UMHS) for the typical patient with your condition. It may include links to online content that was not created by UMHS and for which UMHS does not assume responsibility. It does not replace medical advice from your health care provider because your experience may differ from that of the typical patient. Talk to your health care provider if you have any questions about this document, your condition or your treatment plan.
