Thyroid Cancer

The purpose of this guide is to help patients and families find sources of information and support. This list is meant to provide links to authoritative, up-to-date information sources for patients, families, and caregivers.

The materials in this guide can be found at the Patient Education Resource Center (PERC) in the University of Michigan Comprehensive Cancer Center B2 lobby. Visit us online at: http://www.mcancer.org/support/learning-about-cancer/education-resource-center

Brochures, Fact Sheets
- National Cancer Institute. What You Need to Know about Thyroid Cancer. A printable version is available at: http://www.cancer.gov/cancertopics/wyntk/thyroid
- Thyroid Cancer Survivors’ Association, Inc. Thyroid Cancer Basics. A printable version is available at: http://www.thyca.org/TCBasics.pdf
